

## Dental Hygiene Educational Institutions in Ontario

### Accreditation Process as of November 20, 2006:

The Process for non-accredited Dental Hygiene programs applying for program accreditation with the Commission on Dental Accreditation of Canada (CDAC) will now be a two-step process.

The first step will require non-accredited Dental Hygiene programs seeking accreditation to submit an *Application for Program Survey* to the CDAC.

Following CDAC approval, the second step will be the scheduling of an accreditation survey. Programs eligible for a survey will be listed as “*Program Status Under Review*”.

For further information go to [CDAC website](#).
