

A

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Acquired Immune Deficiency Syndrome (AIDS)	Advisory	Fact Sheet
Addiction		
Addison's Disease (<i>Disorders of the Adrenal Gland</i>)	Advisory	
Adrenal Gland, Disorders of the	Advisory	
Adrenal Insufficiency		Fact Sheet
Agoraphobia (<i>Anxiety Disorders</i>)	Advisory	
Alcohol Dependency	Advisory	
Allergy		Fact Sheet
Alzheimer's Disease (<i>Dementia</i>)	Advisory	Fact Sheet
Amyotrophic Lateral Sclerosis (ALS)	Advisory	Fact Sheet
Anemia	Advisory	Fact Sheet
Angina	Advisory	Fact Sheet
Angina Pectoris	Advisory	
Angular Cheilitis		Fact Sheet
Anorexia (<i>Eating Disorders</i>)	Advisory	Fact Sheet
Anxiety Disorders	Advisory	Fact Sheet
Arthritis	Advisory	
Asperger's Syndrome (<i>Autism Spectrum Disorder</i>)	Advisory	Fact Sheet
Asthma	Advisory	Fact Sheet
Atrial Fibrillation		Fact Sheet
Attention Deficit Hyperactivity Disorder (ADHD)		Fact Sheet
Autism Spectrum Disorder	Advisory	Fact Sheet
Autistic Disorder (<i>Autism Spectrum Disorder</i>)	Advisory	Fact Sheet

B

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Bed Bugs		Fact Sheet
Bell's Palsy		Fact Sheet
Binge Eating Disorder (<i>Eating Disorders</i>)	Advisory	Fact Sheet
Bipolar Disorder	Advisory	Fact Sheet
Bisphosphonate-Related Osteonecrosis of the Jaw		Fact Sheet
Bleeding Disorders	Advisory	
Bone Marrow Transplantation and Blood Stem Cell Transplantation		Fact Sheet
Brain and Nervous System		
Brain Tumours	Advisory	Fact Sheet
Breast Cancer		Fact Sheet
Brittle Bones (<i>Osteoporosis</i>)	Advisory	Fact Sheet
Bulimia (<i>Eating Disorders</i>)	Advisory	Fact Sheet
Bullous Pemphigoid		Fact Sheet

C

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Cardiac Arrest	Advisory	
Cardiac Implantable Electronic Devices		Fact Sheet
Cardiovascular System		
Celiac Disease	Advisory	Fact Sheet
Cerebral Palsy	Advisory	Fact Sheet
Chemotherapy	Advisory	Fact Sheet
Chemotherapy and Radiation Therapy		
Chickenpox		Fact Sheet
Chikungunya		Fact Sheet
Childhood Disintegrative Disorder (<i>Autism Spectrum Disorder</i>)	Advisory	
Chlamydia		Fact Sheet
Chronic Kidney Disease (CKD)		Fact Sheet
Chronic Obstructive Pulmonary Disease (COPD)	Advisory	Fact Sheet
Colorectal Cancer		Fact Sheet
Compulsive Overeating (<i>Eating Disorders</i>)	Advisory	Fact Sheet
Congenital Adrenal Hyperplasia (<i>Disorders of the Adrenal Gland</i>)	Advisory	
Congestive Heart Failure (CHF)		Fact Sheet
Crohn's Disease	Advisory	Fact Sheet
Conjunctivitis		Fact Sheet
Cushing's Disease (<i>Disorders of the Adrenal Gland</i>)	Advisory	
Cushing's Syndrome (<i>Disorders of the Adrenal Gland</i>)	Advisory	Fact Sheet
Cystic Fibrosis	Advisory	Fact Sheet
Cytomegalovirus Disease		Fact Sheet

D

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Deep Brain Stimulation		Fact Sheet
Dementia	Advisory	Fact Sheet
Dengue		Fact Sheet
Dental Abscess		Fact Sheet
Depression	Advisory	Fact Sheet
Diabetes Mellitus	Advisory	Fact Sheet
Diverticulitis	Advisory	
Diverticulosis	Advisory	
Down Syndrome	Advisory	Fact Sheet
Drug Dependency	Advisory	

E

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Eating Disorders	Advisory	Fact Sheet
Endocrine Disorders		
Epilepsy and Seizures	Advisory	Fact Sheet

F

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Fetal Alcohol Spectrum Disorder (FASD)	Advisory	Fact Sheet
Fifth Disease		Fact Sheet

G

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Gastroesophageal Reflux Disease (GERD)	Advisory	Fact Sheet
Gastrointestinal System		
Gastrointestinal Tract Tumours	Advisory	
Genetic Disorders		
German Measles (<i>Rubella</i>)		Fact Sheet
Glandular Fever (<i>Mononucleosis</i>)		Fact Sheet
Gonorrhoea		Fact Sheet

H

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Hand, Foot and Mouth Disease		Fact Sheet
Hard Measles (<i>Measles</i>)		Fact Sheet
Head Lice		Fact Sheet
Heart Conditions	Advisory	
Heart Failure (CHF)		Fact Sheet
Hemic and Lymphatic Diseases		
Hemophilia	Advisory	
Hemophilia A		Fact Sheet
Hemophilia B		Fact Sheet
Hepatitis A		Fact Sheet
Hepatitis B		Fact Sheet
Hepatitis C		Fact Sheet
Hereditary Hemorrhagic Telangiectasia		Fact Sheet
Herpangina		Fact Sheet
Herpes Simplex		Fact Sheet
Herpes Zoster (<i>Shingles</i>)		Fact Sheet
Homesickness (<i>Anxiety Disorders</i>)	Advisory	
Human Immunodeficiency Virus (HIV)	Advisory	Fact Sheet
Human Papillomavirus		Fact Sheet
Hyperaldosteronism (<i>Disorders of the Adrenal Gland</i>)	Advisory	
Hypertension	Advisory	Fact Sheet
Hyperthyroidism	Advisory	Fact Sheet
Hypothyroidism	Advisory	Fact Sheet

I

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Immune System		
Immunosuppression	Advisory	
Impetigo		Fact Sheet
Infectious Disease		
Infectious Mononucleosis (<i>Mononucleosis</i>)		Fact Sheet
Infective Endocarditis	Advisory	Fact Sheet
Influenza		Fact Sheet
Irritable Bowel Syndrome (IBS)	Advisory	

J

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Joint Replacement	Advisory	Fact Sheet
Juvenile Arthritis	Advisory	

K

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Kidney Disease	Advisory	Fact Sheet
Kidney Failure	Advisory	Fact Sheet
Kissing Disease (<i>Mononucleosis</i>)		Fact Sheet

L

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Leukemia	Advisory	Fact Sheet
Lichen Planus		Fact Sheet
Liver Disease	Advisory	Fact Sheet
Lou Gehrig’s Disease (<i>Amyotrophic Lateral Sclerosis</i>)	Advisory	
Lung Cancer		Fact Sheet
Lupus (<i>Systemic Lupus Erythematosus</i>)	Advisory	Fact Sheet
Lyme Disease		Fact Sheet
Lymphoma	Advisory	Fact Sheet

M

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Measles		Fact Sheet
Menopause	Advisory	
Mental Illness		
Methicillin Resistant Staphylococcus Aureus Carriage/Infection (MRSA)		Fact Sheet
Molluscum Contagiosum		Fact Sheet
Mononucleosis		Fact Sheet
Morbilli (<i>Measles</i>)		Fact Sheet
MRSA		Fact Sheet
Mucous Membrane Pemphigoid		Fact Sheet
Multiple Myeloma		Fact Sheet
Multiple Sclerosis (MS)	Advisory	Fact Sheet
Mumps		Fact Sheet
Muscular Dystrophy		Fact Sheet
Musculoskeletal System		
Myasthenia Gravis		Fact Sheet
Myocardial Infarction	Advisory	Fact Sheet

N

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Nits (<i>Head Lice</i>)		Fact Sheet
Novel Oral Anticoagulants		Fact Sheet
Nutritional and Metabolic Disorders		
Nutritional Disorders	Advisory	

O

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Obsessive-compulsive Disorder (<i>Anxiety Disorders</i>)	Advisory	
Obstructive Sleep Apnea		Fact Sheet
Oral Cancer	Advisory	Fact Sheet
Oral Candidiasis		Fact Sheet
Oral Conditions		
Oral Piercing		Fact Sheet
Organ Transplantation		Fact Sheet
Osteoarthritis		Fact Sheet
Osteonecrosis	Advisory	
Osteoporosis	Advisory	Fact Sheet
Overactive Bladder		Fact Sheet

P

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Panic Disorder (<i>Anxiety Disorders</i>)	Advisory	
Parkinson’s Disease	Advisory	Fact Sheet
Pemphigus		Fact Sheet
Pervasive Development Disorder (<i>Autism Spectrum Disorders</i>)	Advisory	
Pheochromocytoma (<i>Disorders of the Adrenal Gland</i>)	Advisory	
Physiological Conditions		
Phobia (<i>Anxiety Disorders</i>)	Advisory	
Pituitary Gland, Disorders of the	Advisory	
Polycythemia	Advisory	Fact Sheet
Post-Myocardial Infarction		Fact Sheet
Post-traumatic Stress Disorder (<i>Anxiety Disorders</i>)	Advisory	
Pregnancy	Advisory	Fact Sheet
Prostate Cancer		Fact Sheet
Psychosis	Advisory	

Q

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

No entries under this letter

R

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Radiation Therapy	Advisory	Fact Sheet
Red Measles (<i>Measles</i>)		Fact Sheet
Respiratory System		
Rett Syndrome (<i>Autism Spectrum Disorders</i>)	Advisory	
Rheumatoid Arthritis	Advisory	Fact Sheet
Rubella (<i>German Measles</i>)		Fact Sheet
Rubeola (<i>Measles</i>)		Fact Sheet

S

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Sarcoidosis		Fact Sheet
Scabies		Fact Sheet
Schizophrenia	Advisory	Fact Sheet
Scleroderma		Fact Sheet
Selective Mutism (<i>Anxiety Disorders</i>)	Advisory	
Separation Anxiety (<i>Anxiety Disorders</i>)	Advisory	
Shingles		Fact Sheet
Sickle Cell Disease	Advisory	Fact Sheet
Sjögren's Syndrome	Advisory	Fact Sheet
Sleep Apnea	Advisory	
Streptococcal Sore Throat (<i>Strep Throat</i>)		Fact Sheet
Strep Pharyngitis (<i>Strep Throat</i>)		Fact Sheet
Strep Throat (Group A Strep)		Fact Sheet
Strep Tonsillitis (<i>Strep Throat</i>)		Fact Sheet
Stroke	Advisory	Fact Sheet
Substance Use Disorder	Advisory	Fact Sheet
Syphilis		Fact Sheet
Systemic Lupus Erythematosus (<i>Lupus</i>)	Advisory	Fact Sheet

T

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

TB (<i>Tuberculosis</i>)	Advisory	Fact Sheet
Thalassemia		Fact Sheet
Thin Bones (<i>Osteoporosis</i>)	Advisory	Fact Sheet
Three-Day Measles (<i>Rubella</i>)		Fact Sheet
Tuberculosis, Latent or Active	Advisory	Fact Sheet

U

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Ulcerative Colitis	Advisory	Fact Sheet
Urogenital System		

V

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Viral Hepatitis	Advisory	
Virilization (<i>Disorders of the Adrenal Gland</i>)	Advisory	
Von Willebrand Disease (VWD)	Advisory	Fact Sheet

W

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

No entries under this letter

X

The information contained in each advisory is intended to assist health professionals and their clients make decisions about oral care.

Xerostomia		Fact Sheet
