Fiduciary Duties

- (2) Council Members shall act in the best interests of the College and of the public of Ontario. They shall perform their duties in accordance with the Act, the bylaw and any policies of the College.
- (3) Council Members shall conduct themselves in a manner which is ethical, business-like and lawful and upholds the reputation of the CDHO. Conflict of Interest

- (16) The terms "conflict of interest" and "appearance of bias" are often used interchangeably. The term "conflict of interest" generally applies to policy or administrative decisions while the term "appearance of bias" generally applies to an adjudicative type of decision. For the purpose of this bylaw, they mean the same thing.
- (17) Council Members must not carry out their duties when they are in a conflict of interest. A conflict of interest exists where a reasonable person could conclude that the personal interests of the individual or a related person or company could improperly influence the individual's judgment in performing his or her duties as a Council Member.
- (18) There must be no self-dealing or any conduct of private business or personal services between any Council Member and the organization, except as procedurally controlled to assure openness, competitive opportunity, and equal access to otherwise "inside" information. Council Members will annually disclose their involvements with other organizations, with vendors, or any associations that might be or might reasonably be seen as being a conflict.
- (19) Council Members may not accept an employment or administrative position with the College, including that of the Registrar, unless one year has passed since he or she was a Council Member or Non-Council Member.
- (20) Council Members will not use their Council or Committee position to obtain employment in the organization for themselves, family members, or close associates. Should a Council Member wish to apply for employment, he or she must resign from the Council and not apply before a date twelve (12) months from the effective date of their resignation. Family members are spouse, life partner, child, parent, in-law, live-in grandparent or sibling.

Examples of Conflicts of Interest

- (21) Without limiting the usual and ordinary meaning of “conflict of interest” or “appearance of bias”, some examples of activities or circumstances that would usually constitute a conflict of interest or an appearance of bias for a Council or Non-Council Member include the following:
- (a) Where the decision could confer a more than trivial financial or other benefit or burden to the Council Member or their close relative or friend or affiliated entity;
 - (b) Where the Council Member or their close relative or friend or affiliated entity seeks or accepts more than a nominal gift from a person or entity connected to or affected by the College or its mandate or a gift which could reasonably be viewed as influencing the Council or Committee Member;
 - (c) Where the Council Member or their close relative or friend or affiliated entity uses the Council Member’s position with the College to advance their personal or financial interests;
 - (d) Where the Council Member takes action or counsels another to take action against the College, the reputation of the College or its staff;
 - (e) Where the Council Member is running for national or provincial public office and where the Council or Committee Member has not taken a leave of absence from all Council and committee positions at the College;
 - (f) Where the Council Member agrees to give or gives a presentation on an issue related to the College’s role or activities without prior College approval;
 - (g) Where the Council Member agrees to participate or participates in a committee, working group, task force or other group related to the College’s role or activities without prior College approval;
 - (h) Where the Council Member, who is not the official spokesperson for the College, is in communication with government officials, politicians or the media on any matter related to the College without prior College approval;
 - (i) Where the Council Member publishes, including a posting on social media, a statement that could impair the public’s confidence in the College or compromise the policy or public image of the College or the Council Member’s ability to make transparent, objective, impartial and fair decisions that are in the public interest;
 - (j) Where the Council Member appears to give preferential access to a person or entity that advances the interests of dental hygienists or that has policy-making responsibilities for dental hygienists or that oversees the regulation of dental hygienists without prior College approval;
 - (k) Where the Council Member advises or assists anyone in their dealings with the College, including acting as a peer mentor unless the Council Member has prior College approval;

- (l) Where the Council Member demonstrates a closed mind on an issue that is coming up, or is likely to come up, before the College;
- (m) Where the Council Member is the subject of an inquiry or investigation by the College, the police or another authority that impairs the ability of the Council Member to participate in a decision or to continue to serve in his or her position or has the potential to jeopardize public trust in the member, the Council, the Committee or the College;
- (n) Where the Council Member applies for employment with the College without first resigning all Council and committee positions;
- (o) Where the Council Member has a connection with a person or issue to be determined that would reasonably be seen by those who know all of the circumstances as incompatible with his or her responsibilities as an impartial decision-maker; and
- (p) Where the Council Member or their close relative or friend or affiliated entity uses materials developed for the College for commercial purposes without prior College approval.

Preventing and Addressing Conflicts of Interest

- (22) Council Members shall avoid, where feasible, situations where they would have conflicting duties of confidentiality and disclosure between their role with the College and with another person or entity.
- (23) Where a Council Member is in doubt as to whether he or she has a conflict of interest, the Council Member shall consult with an appropriate person such as the Chair of the affected committee, the President, the Registrar, or independent legal counsel in a hearing.
- (24) If a Council Member believes that he or she has a conflict of interest in a particular matter, he or she shall,
 - (a) prior to any consideration of the matter, declare to the Council or the committee that he or she has a conflict of interest that prevents him or her from participating;
 - (b) not take part in the discussion of or vote on any question in respect of the matter;

3.9 Disqualification Proceedings for Council and Non-Council Members

- (1) This Article does not apply to and shall not be interpreted as in any way limiting the ability of Council or the Executive Committee under Article 3.8 to remove or disqualify a Council or Non-Council Member from a Committee or office. When removing or disqualifying under Article 3.8 there is no requirement to follow the procedure set out below.
- (2) **Wherever possible, unless it is inappropriate to do so, informal resolution between the person with the concern and the Council or Non-Council Member about whom the person has the concern should be attempted before engaging the formal complaints process.** Nothing in this by-law prevents the informal resolution of Code of Conduct concerns including by providing feedback, guidance, reminders, advice or counselling or by negotiating agreements or undertakings.

- (3) The following procedure shall be followed to address a complaint filed about a Code of Conduct concern **only if it has not been possible to reach an informal resolution before or during the process.**
- (4) A written complaint shall be filed with both the Chair of the Conduct Committee and the Registrar. A complaint may be made by any person, including a member of the public, a Council or Committee Member or the Registrar. If the complaint is made to only one of the named persons then that person shall immediately file a copy of the complaint with the other person referenced in this article.
- (5) If the Conduct Committee as a whole has a conflict of interest with respect to the complaint or if the Conduct Committee is otherwise unable to act on the complaint, it shall appoint an independent investigator from a list approved by the Council to investigate on its behalf under this Article and it shall appoint an independent commissioner from a list approved by the Council to make decisions on its behalf under this Article.
- (6) The Conduct Committee or its delegate shall conduct any investigation it deems appropriate. If material facts are in dispute, the Conduct Committee or its delegate shall adopt a fair and reasonable process to determine those facts which may include the appointment of an independent investigator to investigate and provide a written report respecting those facts.
- (7) After providing the Council or Non-Council Member an opportunity to make written submissions to it, the Conduct Committee or its delegate shall determine whether there has been a breach of the Code of Conduct and, if so, whether the matter should be resolved informally or whether the matter should be resolved formally at a determination meeting pursuant to Article 3.9(10).
- (8) Where the Conduct Committee or its delegate believes that the complaint does not warrant formal resolution, it shall provide a report to the Executive Committee or its delegate about the investigation and conclusion, with reasons for the conclusion. The Executive Committee or its delegate may accept the report and resolve the matter informally or may return the matter to the Conduct Committee for additional investigation or other action.
- (9) The Conduct Committee or its delegate may make an interim direction at any time to protect the integrity and reputation of the College including directing that the Council or Non-Council Member be suspended from his or her positions or duties until the matter is finally resolved.
- (10) The Conduct Committee, or its delegate, the complainant and the Council or Non-Council Member whose conduct is the subject of concern shall be the parties at the determination meeting. The Council or Non-Council Member whose conduct is the subject of concern shall be given reasonable notice of the complaint, the relevant supporting information gathered in relation to the complaint, and all parties shall be given the opportunity to make written and oral submissions at the determination meeting. The Conduct Committee or its delegate is not required to hold a hearing.

- (11) An appropriate sanction imposed by the Conduct Committee may include one or more of the following:
- (a) censure of the Council or non-Council member verbally or in writing;
 - (b) removal of the Council or non-Council member from any committee on which he or she serves;

 - (g) delivery of a report to the Public Appointments Secretariat requesting the removal of a Council member who has been appointed by the Lieutenant Governor in Council; or
 - (h) any other sanction appropriate to the circumstances.
- (12) Any sanction under Article 3.9 requires a majority vote of the members of the Conduct Committee or its delegate (if more than one), present at the meeting.
- (13) If the sanction imposed by the Conduct Committee was either 3.9(11)(f) or (g), the Council or Non-Council Member who is the subject of the complaint may appeal the decision of the Conduct Committee or its delegate to the Council. The Council is not required to hold a hearing and may establish its own procedures for determining the appeal. A written indication of intention to appeal shall be given within 14 days of the Conduct Committee decision, unless Council agrees to extend the time for appeal. The Council has all of the powers of the Conduct Committee or its delegate in making the determination. Council will be acting in an appellate capacity, and any decision requires a two-thirds majority of the votes cast at the meeting by those present. Failure to obtain a two-thirds majority vote of those Council Members in attendance means that the Conduct Committee decision is upheld. The Council or Non-Council Member whose conduct is in issue and the complainant, if a Council Member, shall not be entitled to vote at the Council meeting.
- (14) The procedure set out in this Article is intended to be followed in a timely manner recognizing the risk of possible continuing conduct and that the reputation of individuals and the College is at stake while also recognizing the need to provide a fair process for all concerned.
- (15) No Council Member shall take action, or permit any person to take action, against any person for making a complaint, or cooperating with the investigation of a complaint, under this bylaw.
- (16) Legal costs are only payable by the College to the subject of the complaint if no breach of the Code of Conduct was found and Council votes, on a two-thirds majority, to reimburse some or all of their legal costs.
